INTRODUCTION.

The City has annually since 1821 issued a volume containing, until 1829, a register of the City Council and a list of the officers. In 1829, the City Charter, in 1830, the acts relating to Boston and the ordinances, and in 1832 an index were added. The volume for 1822 contains fifteen pages, and for 1840 eighty-five pages and three pages of index. The volume up to, and including, 1840 bears the title of The Rules and Orders of the Common Council, and since that year the title of The MUNICIPAL REGISTER. The Municipal Register for 1841 contains the Rules and orders of the Common Council, joint rules, ordinances of the City, statutes of the Commonwealth relating to the City, a list of the public schools, the City government of 1841, the committees and departments (consisting at that time of the treasury, law, police, health, public land and buildings, lamps and bridges, fire, and public charitable institutions), and a list of the ward officers; from 1842 to 1864, it also contains a list of the members of preceding City governments, a necrological record of these members, the latest ordinances and the special statutes relating to the city; in 1851 a list of the annual orators was added, and in 1853 a map of the City and the rules of the Board of Aldermen were inserted; in 1876 statistics of registration and voting were included, and since 1879 in tabulated form; in 1883 portraits of the Mayor and presiding officers of the two branches of the City Council were included, and in 1888 a list of the members of the past City governments of Roxbury and Charlestown was added, and continued to 1890. Since 1889 the MUNICIPAL REGISTER is in substantially the form of the present volume.

RULES AND ORDERS.

RULES OF THE BOARD OF ALDERMEN.

CHAIRMAN.

RULE 1. The chairman of the board shall take the chair at the hour to which the board shall have adjourned, and shall call the members to order, and, a quorum being present, shall cause the minutes of the preceding regular meeting to be read; and, in the absence of the chairman, the senior member present shall preside as chairman *pro tempore*.

RULE 2. The chairman shall preserve decorum and order, may speak to points of order in preference to other members, and shall decide all questions of order, subject to an appeal to the board; and no other business shall be in order until the question on appeal shall have been decided.

RULE 3. The chairman shall propound all motions in the order in which they are moved, unless the subsequent motion shall be previous in its nature, except that, in naming sums and fixing times, the largest sum and longest time shall be put first.

RULE 4. The chairman shall, at the request of any member, make a division of a question when the sense will admit.

RULE 5. The chairman shall, without debate, decide all questions relating to priority of business to be acted upon.

RULE 6. The chairman may read sitting, but shall rise to state a motion or put a question to the board.

RULE 7. The chairman shall declare all votes; but if any member doubts a vote, the chairman shall cause a rising vote to be taken; and when any member so requests, shall cause the vote to be taken or verified by yeas and nays.

RULE 8. The chairman shall appoint all committees, fill all vacancies therein, and designate the rank of the members thereof.

RULE 9. When the chairman of the board or the chairman *pro tempore* shall desire to vacate the chair, he may call any member to it; but such substitution shall not continue beyond an adjournment.

MOTIONS.

RULE 10. Every motion shall be reduced to writing if the chairman shall so direct.

RULE 11. A motion to strike out and insert shall be deemed indivisible; but a motion to strike out being lost shall not preclude amendment, or a motion to strike out and insert.

RULE 12. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

RULE 13. When an order or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the city council, such order or resolution shall, upon presentation, be referred to such committee. When a motion is made to refer any subject, and different committees are proposed, the motion shall be put in the following order:

1. To a standing committee of the board.
2. To a special committee of the board.
3. To a joint standing committee.
4. To a joint special committee.

RULE 14. After a motion has been put by the chairman, it shall not be withdrawn except by unanimous consent.

RULE 15. When a question is under debate the following motions only shall be entertained, and in the order in which they stand arranged:

1. To adjourn.
2. To lay on the table.
3. To postpone to a day certain.
4. To commit.
5. To amend.
6. To postpone indefinitely.

RULE 16. A motion to adjourn shall be in order at any time, except on an immediate repetition or pending a verification of a vote; and that motion, the motion to lay on the table, and the motion to take from the table shall be decided without debate.

READINGS.

RULE 17. Every ordinance, order, and resolution reported by a committee shall, unless rejected, have two several readings, both of which may take place at the same session, unless objection is made. Whenever the second reading immediately follows the first reading, the document may be read by its title only. Orders from the board of street commissioners changing the names of streets, and orders granting locations for poles or posts, shall, however, have one reading only at the same session.

CONFIRMATIONS.

RULE 18. The question of confirming a nomination made by the mayor shall be decided by a yea and nay ballot.

RECONSIDERATION.

RULE 19. When a vote has been passed, any member may move a reconsideration thereof at the same meeting; or he may give notice to the clerk, within twenty-four hours of the adjournment, of his intention to move a reconsideration at the next regular meeting; in which case the clerk shall retain possession of the papers until the next regular meeting; and when a motion for reconsideration is decided, that vote shall not be reconsidered.

CONDUCT OF MEMBERS.

RULE 20. Every member when about to speak shall rise, address the chair, and wait until he is recognized, and in speaking shall confine himself to the question and avoid personalities.

RULE 21. No member speaking shall, without his consent, be interrupted by another, except upon a point of order.

RULE 22. No member shall be permitted to vote on any question, or serve on any committee, where his private right is immediately concerned, distinct from the public interest.

RULE 23. Every member who shall be present when a question is put, where he is not excluded by interest, shall give his vote, unless the board for special reasons shall excuse him. Application to be so excused on any question must be made before the board is divided, or before the calling of the yeas and nays; and such application shall be accompanied by a brief statement of the reasons, and shall be decided without debate.

STANDING COMMITTEES.

RULE 24. The following standing committees of the board, to consist of three members each, except where otherwise herein provided, and the members of the joint standing committees on the part of this board, named in the joint rules and orders of the city council, and all other committees, unless otherwise provided for, or specially directed by the board, shall be appointed by the chair:

Committee on Armories and Military Affairs — County Accounts — Electric Wires — Faneuil Hall and County Buildings — Lamps — Licenses — Markets — Railroads. Streets and Sewers, to consist of all the members of the board, and to be divided by the chairman of the committee into the following sub-committees, namely: on Pav-

ing Division, Sewer Division, Bridge Division, Sanitary Division, and Street-Cleaning Division, and Stables.

ORDER OF BUSINESS.

RULE 25. At every regular meeting of the board the order of business shall be as follows:

1. Communications from his honor the mayor.
2. Presentation of petitions, memorials, and remonstrances.
3. Papers from the common council.
4. Unfinished business of preceding meetings.
5. Orders of notice of hearings.
6. Reports of city officers.
7. Reports of committees.
8. Motions, orders, and resolutions.

REPORTS OF COMMITTEES.

RULE 26. Committees of the board to whom any matter is especially referred shall report within four weeks, or ask for further time.

EXPENSES OF COMMITTEES.

RULE 27. No money shall be drawn from the city treasury for the purpose of paying the expenses of any committee, or any portion of the same, while absent from the city of Boston, unless authorized by special vote of the board.

SPECTATORS.

RULE 28. No person, except a member of the board, shall be permitted to occupy the seat of any member while the board is in session.

RULE 29. No persons, excepting members of the city council, heads of departments, and reporters, shall be allowed in the anteroom of the aldermanic chamber while the board is in session. No person shall be allowed to enter the aldermanic chamber while the board is in session, after the seats furnished for spectators are occupied. The city messenger shall enforce this rule.

LICENSES.

RULE 30. No licenses shall be granted for exhibitions of pugilism or wrestling.

RULE 31. No permission to erect a pole or post for the support of electric wires, or for the construction of underground conduits, shall be granted until a public hearing shall have been given by the board of aldermen on the application for such permission, after notice of such hearing duly advertised by the applicant in one or more newspapers.

RULE 32. Every license or permit hereafter granted for the location of a street-railway track, the erection of a pole or post, the construction of an underground conduit, laying of a pipe or wire, or for doing any other work which may involve the disturbance of a surface of a street, shall specify the time within which the contemplated work shall be done, and shall not confer authority to do any such work after the expiration of such specified time.

SUSPENSION OF RULES.

RULE 33. Any rule may be suspended by vote of two-thirds of the members of the board present and voting, except Rule 30, which shall be suspended only by a unanimous vote upon a roll call.

RULES AND ORDERS OF THE COMMON COUNCIL.

RULE 1. Unless otherwise ordered from time to time, the regular meeting of the common council shall be held on every Thursday, at half-past seven o'clock P.M., and on the appearance of a quorum the council shall be called to order. In the absence of the president the oldest senior member present shall take the chair, and a president *pro tempore* shall be chosen by ballot; and if an election is not effected on the first trial, on subsequent trials a plurality vote shall elect.

The roll shall be called at each meeting of the council, the time of said roll-call to be at the discretion of the president, but not later than nine o'clock.

PRESIDENT.

RULE 2. The president shall appoint and announce all committees, unless otherwise ordered, and shall communicate his appointments to the council at the meeting following such action, if not made during a session. All vacancies upon committees shall be filled in the manner of original appointment; and members so appointed shall take rank according to the date of their appointment, unless otherwise designated by the president.

RULE 3. The president may at any time call another member to the chair; but such substitution shall not continue beyond an adjournment. In all cases the president may vote.

RULE 4. The president may make any rules that he deems proper to preserve order in the council chamber during sessions of the council, and he shall forbid smoking in the council chamber during a session.

CLERK.

RULE 5. The clerk shall keep a record of the acts, votes, and proceedings of the common council, and a separate record of all decisions

of the chair upon questions of order. He shall have the care and custody of all papers belonging to this branch of the city council; and shall prepare a schedule of business in order for each meeting, in such manner as the president may direct.

He shall draw up and send all messages to the board of aldermen; and shall retain in his possession all papers until the right to file a notice of reconsideration has expired, and if such notice is made he shall keep the papers pertaining thereto until the right of reconsideration has expired.

CONDUCT OF MEMBERS.

RULE 6. Except when otherwise provided, no member shall speak for more than fifteen minutes, and a further equal time if the council so vote. No member shall speak a second time on a question, if another member who has not spoken claims the floor.

RULE 7. No member speaking shall, without his consent, be interrupted by another, except upon a point of order.

Every member, while speaking, shall confine himself to the question under debate, and shall refrain from personalities, and shall not refer to any other member of the council except by a respectful designation; and no member shall speak or vote out of his place without leave of the president.

QUORUM.

RULE 8. Whenever, on a rising vote or on a roll-call, a quorum does not vote, or whenever a member raises the doubt of a quorum being present, the chair shall ascertain and declare whether a quorum is present, and for that purpose shall, with the assent of one-fifth of the members present, order the roll to be called. If there is no quorum present, he shall immediately declare the council adjourned.

COMMITTEES.

RULE 9. All matters relating to the election of members shall be referred to the standing committee on elections, which shall consist of five members.

RULE 10. There shall be a standing committee on judiciary, consisting of five members, who shall have the power to obtain the opinion of the corporation counsel on all matters that shall be referred to them. Also a standing committee on contingent expenses, consisting of three members, who shall audit monthly all bills charged to the contingent fund of the common council, such audit to be completed on or before the twenty-fifth day of the month.

RULE 11. All committees of this council shall be notified of their meetings by the clerk of committees. They shall not sit during sessions of the council without special leave, nor be called on less notice than twenty-four hours from the time the notices are mailed by the

clerk or despatched by special messenger, unless all the members consent; and they shall keep a record of their doings. The member first named shall be chairman, unless otherwise ordered by the committee, in which case the council shall be notified of the change; and the same rule shall apply to the members serving on joint committees.

The absence of a member from three successive, duly called meetings of any committee, except on account of sickness or absence from the city, proved to the satisfaction of the president, shall be deemed a resignation on the part of such member from such committee, and the vacancy caused by the resignation shall be filled by the president at the next meeting of the council.

The clerk of committees shall report at each meeting of the council all resignations effected by the preceding clause.

RULE 12. Special committees of the council shall consist of three members, unless otherwise ordered. All orders for the appointment of such committees shall be assigned for one week.

RULE 13. No report of any committee shall be received, unless agreed to by such committee at a duly notified meeting thereof. Such report, when presented, may be ordered to be printed, and shall then take its place among the unfinished business for consideration at the next meeting.

RULE 14. Committees to whom any matter is referred shall report within four weeks, or ask further time.

COMMITTEE OF THE WHOLE.

RULE 15. When the council shall determine to go into a committee of the whole, the president shall appoint the member who shall take the chair.

RULE 16. The rules of proceedings in the council shall be observed in the committee of the whole, so far as they are applicable; but the previous question shall not be moved, and a motion to rise, report progress, and ask leave to sit again shall be first in order, and shall be decided without debate.

ORDER OF BUSINESS.

RULE 17. At every meeting of the council the order of business shall be as follows:

First. Reading of the records of the preceding meeting, if called for by any member.

Second. Message from his honor the mayor, reports of city officers, and other communications addressed to the council.

Third. Papers from the board of aldermen.

Fourth. Reports of committee on finance.

Fifth. Reports of committees, which shall be called for by divisions in numerical order.

Sixth. Motions, orders, and resolutions. They shall be read once, and referred to their appropriate committees or assigned to the next meeting, unless the rules are suspended, in which case they may be given a second reading and passed.

Seventh. Unfinished business of preceding meetings.

Eighth. Notices of motions for reconsideration.

Ninth. Motions, orders, and resolutions, which shall take the same course as provided in the sixth section of this rule.

Provided, however, that not more than thirty minutes shall be allowed for the presentation of papers under the sixth order of business. Papers shall be called for by divisions in numerical order, and only one member in a division shall be recognized until each division has been called.

RULE 18. All papers addressed to the council shall be presented by the president or by a member; and unless the council shall otherwise determine, they shall be read by the president or such other person as he may request, and be taken up in the order in which they are presented.

RULE 19. All ordinances, orders, and resolutions shall, unless rejected, have two several readings, after each of which debate shall be in order, and they shall then be put on their passage. Whenever the second reading immediately follows the first, the document may be read by its title only, unless objection is made.

RULE 20. No ordinance and no order or resolution imposing penalties, or authorizing a loan or the expenditure of money, shall have more than one reading on the same day; but this rule shall not apply to an order to print a document or to provide refreshments during a session.

MOTIONS.

RULE 21. Every motion shall be reduced to writing if the president shall so direct, and no other motion shall be entertained until a reasonable time be afforded for compliance with such direction.

RULE 22. In naming sums and fixing times the largest sum and longest time shall first be put to the question.

RULE 23. When a question is under debate, the president shall receive any of the following motions, but no others:

1. To adjourn.
2. To lay on the table.
3. To especially assign to a time certain.
4. To refer to a committee.
5. The previous question.

6. To close debate at a specified time.
7. To amend.
8. To refer to another board.
9. To postpone indefinitely.

These several motions shall not be applied to each other, except that the motion to assign, refer, amend, or to close debate at a specified time may be amended; and the previous question may be demanded upon an amendment, which motion shall be decided without debate. When one of these motions has been made, none of the others inferior to it in precedence shall be made, and in proceeding to vote, motions pending shall be put in the order of their rank, as above arranged. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

RULE 24. When a matter has been especially assigned to be taken up at a fixed hour or at a certain stage of proceedings, such matter shall, at the time appointed or at any time subsequent thereto, during the same or succeeding meetings, be in order upon the call of any member, and take precedence of all other business.

RULE 25. When an order or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the city council, such order or resolution shall, upon presentation, be referred to such committee. When a motion is made to refer any subject, and different committees are proposed, the motion shall be put in the following order:

A standing committee of the council.
A special committee of the council.
A joint standing committee.
A joint special committee.

RULE 26. A motion to adjourn shall always be in order, provided business of a nature to be recorded on the journal has been transacted since a motion to adjourn was rejected; and such motion shall be decided without debate.

RULE 27. Debate on a call for the previous question, or on a motion to close debate at a specified time, or on a motion to lay on the table or take from the table, shall not exceed ten minutes, and no member shall speak more than three minutes. In such debate, however, the merits of the main question shall not be discussed.

RULE 28. Any member may require the division of a question when the sense will admit of it; and any member may move at any time for the suspension of any rule or rules.

PREVIOUS QUESTION.

RULE 29. When the previous question is ordered, the vote shall be taken upon all pending amendments, and finally upon the main question.

RULE 30. All incidental questions of order arising after a motion is made for the previous question shall be decided without debate, except on an appeal; and on such an appeal, no member shall be allowed to speak more than once without leave of the council.

RULE 31. The previous question shall be put in the following form: "*Shall the main question be now put?*" and all debate upon the main question shall be suspended until the previous question has been decided.

APPEAL.

RULE 32. No appeal from the decision of the president shall be entertained unless it is seconded; and no other business shall be in order till the question on the appeal has been decided. The question shall be put as follows: "*Shall the decision of the chair stand as the judgment of the council?*" And it shall be deemed to be decided in the affirmative unless a majority of the votes given are to the contrary.

VOTING.

RULE 33. If the president is unable to decide or if any member doubts a vote, the president shall cause a rising vote to be taken on the question, without further debate. The president shall appoint two tellers for each division of the council as fixed by him, who shall agree on a count and report the result aloud to him.

RULE 34. A motion that any pending vote shall be taken by yeas and nays shall be in order at any time, and no debate shall be allowed thereon, but it shall be passed by the assent of one-fifth of the members present. Every member present shall answer to his name, unless excused before the vote is taken.

RULE 35. After the announcement of a vote not taken by yeas and nays, any member may move for a verification thereof by yeas and nays, and on such motion a debate of the original question not exceeding five minutes shall be permitted; and the yeas and nays shall be taken, provided one-fifth of the members voting shall so require.

RECONSIDERATION.

RULE 36. When a vote has been passed, any member may move a reconsideration thereof at the same meeting, either immediately after the announcement of such vote or whenever motions are in order; or if any member who is not shown by a yea and nay vote to have voted against the prevailing side shall give notice to the clerk, before ten

o'clock A.M. of the next day but one following that on which a meeting was held (except the final meeting of the year, or that preceding any adjournment for over two weeks), of his intention so to do, he may move a reconsideration at the next meeting at which said motion is reached in the order of proceedings.

Rule 37. Debate on motions to reconsider shall be limited to thirty minutes, and no member shall speak more than five minutes. Whenever a matter has been especially assigned, a notice, as above specified, to reconsider any vote affecting it shall be considered whenever such special assignment takes effect.

Rule 38. When a motion for reconsideration has been decided, that decision shall not be reconsidered, and no question shall be twice reconsidered unless it has been amended after the reconsideration; nor shall any reconsideration be had upon either of the following motions:

To adjourn.
The previous question.
To lay on the table.
To take from the table.
To close debate at a specified time.

RESCINDING VOTES.

Rule 39. After a vote has been refused a reconsideration, it shall not be rescinded unless two-thirds of the whole number of the members of the common council vote in the affirmative.

ELECTIONS.

Rule 40. All officers receiving any compensation from the city of Boston, who are elected by the city council, shall be chosen in this branch by ballot. In all elections by ballot the number of blanks cast shall be reported. Ballots cast for ineligible persons shall be counted and reported, but only for the purpose of ascertaining the whole number of ballots cast. If the person chosen is ineligible the ballot shall be void, and a new ballot be taken.

SEATS OF MEMBERS.

Rule 41. No person except a member of the council shall be permitted to occupy the seat of any member while the council is in session. The seats of the members of the council shall be numbered, and shall be determined, in the presence of the council, by drawing the names of members and the number of the seats simultaneously; and each member shall be entitled for the year to the seat bearing the number so

drawn against his name, and shall not change it except by the permission of the president.

SPECTATORS.

RULE 42. The city messenger shall allow no person upon the floor of the council chamber or in either of the anterooms, except members of the city government and reporters, without the permission of the president; and while the council is in session, no person except members of the city government and reporters shall be allowed in either of the anterooms on the easterly side. The president shall order such accommodations on the floor for reporters and spectators as he shall deem proper; *provided, however*, that no spectators shall be seated behind the members of the council.

RULE 43. The council chamber shall be used for meetings of the council only, unless by special vote of the common council; *provided*, that during the summer recess the president may allow the chamber to be used for public purposes, in all cases reporting his action to the council at its next meeting. The anteroom and large committee-room on the east shall be subject to the same rules, except that the president may allow committee-meetings to be held therein at times when the council is not in session. The clerk's room shall be assigned to the clerk of the common council for occupancy and use. The anteroom between the council chamber and the clerk's room shall be used during the meetings of the council to give access to the seats on the floor, and for such other purposes as the president may direct; *provided*, that smoking there shall not be allowed on the part of visitors. The general care and supervision of these rooms are hereby intrusted to the city messenger, subject to the direction of the president; but no expenditure of money shall be made except by direct vote of the common council.

REFRESHMENTS AND CARRIAGE-HIRE.

RULE 44. No bill for refreshments or carriage-hire shall be incurred by any member of the common council, except in the discharge of official duty. All such bills shall be presented within three months of the date of incurring the same, and shall be charged to the contingent fund of the common council. Before presentation to the city auditor the city messenger shall cause such bills to be duly certified to by the members incurring them, and they shall be audited by the committee on contingent expenses, as provided in Rule 10.

No member of any special committee shall incur any bill for refreshments or carriage-hire after the expiration of the four weeks allowed in Rule 14, or such further time, not exceeding four weeks, as the council may allow the committee for a report.

No member of a committee or sub-committee shall incur any bill for

refreshments until he has received from the clerk of committees a voucher, certifying that he has responded to a call for a meeting of such committee or sub-committee; and the said clerk shall obtain and verify all such refreshment bills in accordance with the vouchers so furnished.

Whenever a committee vote to use carriages in transacting their business, the chairman shall designate the number of carriages to be engaged; *provided, however*, that sub-committees shall be allowed the use of but one carriage in the performance of the duty assigned them.

All carriages shall be hired through the city messenger, who shall obtain and verify the bills within twenty days from the date when they were incurred, and the clerk of committees shall furnish to the city messenger a copy of the vote, in each case, authorizing the use of such carriages. When the common council is in session at eleven P.M., the city messenger is directed to provide carriages to convey members and officials to their respective homes, if they so desire. The president is hereby authorized to incur bills for refreshments or carriage-hire while in the discharge of his official duties. The prices paid for all carriages hired under this rule shall be in conformity with the rates established by the board of police.

The city auditor shall report in print to the common council every three months the bills and expenditures from the contingent fund and the amount remaining unexpended.

PARLIAMENTARY PRACTICE.

RULE 45. The rules of parliamentary practice as contained in Cushing's "Law and Practice of Legislative Assemblies" shall govern this council in all cases to which they are applicable and in which they are not inconsistent with these rules or the joint rules of the city council.

REPEAL.

RULE 46. The foregoing rules shall not be altered, amended, suspended, or repealed, at any time, except by the votes of two-thirds of the members of the common council present and voting thereon.

They shall report an order appro-

2. A committee on *Claims*, to consist of three aldermen and five councilmen, to whom shall be referred all claims against the city arising from the act or neglect of any of its departments. They shall report monthly the number and nature of the claims awarded or approved by them, and the amount of money awarded or paid in settlement thereof.

5. A committee on *Legislative Matters*, to consist of three aldermen and five councilmen, who shall, unless otherwise ordered, appear before committees of the general court and represent the interests of the city; *provided*, said committee shall not, unless directed so to do by the city council, oppose any legislation petitioned for by the preceding city council. It shall report in print to the city council all bills, resolves, and petitions presented to the legislature affecting the city of Boston or any department thereof. Such printed report shall be made at the next meeting of either branch after such application is made, or earlier, at the discretion of said committee.

6. A committee on *Ordinances*, to consist of the members of the Committee on Law Department, to whom shall be referred all ordinances introduced in either branch, or transmitted to them by vote of any standing committee. Unless specially instructed, they shall pass upon the question of the form and legality of the ordinance so referred, they may append an order that such ordinance "ought not to pass," and give their reasons therefor, or report such ordinance in a new draft. Such reports shall be made in not over two weeks from the meeting at which the reference was ordered, or the ordinance received from a committee.

7. A committee on *Police*, to consist of three aldermen and five councilmen, to whom shall be referred all matters relating to the police department.

8. 9. A committee on *Public Lands*, to consist of three aldermen and five councilmen, to whom shall be referred all matters relating to public lands.

10. A committee on *Schools and School-houses*, to consist of three aldermen and five councilmen, to whom shall be referred matters relating to the public schools, and requests of the school committee for additional school accommodations.

JOINT SPECIAL COMMITTEES.

RULE 2. Every joint special committee ordered by the city council shall, unless otherwise provided in the order, be appointed in the manner provided in Rule 1.

JOINT COMMITTEES.

RULE 3. The member of the board of aldermen first named on every joint committee shall be its chairman; and, in case of his resignation or inability, the other members of the same board in the order designated by the chairman of the board, and after them the members of the common council in the order named, shall act as chairman. The chairman shall call meetings of the committee at his discretion, or at the written request of a majority of the members.

RULE 4. Every joint committee shall cause records of their proceedings to be kept in books provided for that purpose; and at every meeting of a committee the records of the previous meeting shall be read, unless otherwise ordered by the committee. In all such meetings of committees all votes shall, at the request of any member, be taken by yeas and nays, and recorded.

RULE 5. No meeting of any committee shall, without the consent of all the members thereof, be called upon less notice than twenty-four hours from the time the clerk shall have mailed the notices or despatched them by special messenger.

RULE 6. Any joint committee may expend from the appropriation for contingent expenses an amount not exceeding two hundred dollars in any one year, for purposes connected with the duties of said committee for which no provision has been otherwise made, except for refreshments or carriage-hire.

CONFERENCE COMMITTEES.

RULE 7. In every case of disagreement between the two branches of the city council, if either branch shall request a conference and appoint a committee of conference, the other branch shall also appoint such a committee, and such committees shall consist of not less than five members each. Both committees shall, at an hour to be agreed upon by their chairmen, meet and state to each other, verbally or in writing, as either shall choose, the reasons for the action of their respective branches in relation to the matter in controversy, shall confer freely thereon, and shall report to their respective branches.

REFERENCE TO COMMITTEES.

RULE 8. When an order or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the city council, such order or resolution shall, upon presentation, be referred to such committee. Either branch of the city council may commit or recommit to a joint committee; but a reference with instructions shall require concurrent action.

REPORTS OF JOINT COMMITTEES.

RULE 9. No report of a joint committee shall be received by either branch of the city council unless agreed to by such committee at a duly notified meeting thereof. The report of a committee upon any subject referred to it shall, unless otherwise ordered by the city council or by the committee, be presented to the branch in which the order of reference originated. It shall be the duty of every joint committee to which any subject may be specially referred to report thereon within four weeks, or to ask for further time.

RULE 10. All reports and other papers submitted to the city council shall be written or printed, and no indorsement of any kind shall be made on the reports, memorials, or other papers, excepting those made by the officers of either branch, or the name of the member offering the same. Every report of a committee shall be signed by a member belonging to the body to which it shall be presented, unless otherwise directed by the committee. Every member presenting an order, ordinance, or resolution shall have his name indorsed thereon. Such member shall be informed, by the clerk of the committee to which the

matter is referred, of the time fixed for its consideration, if he give notice of his desire to be heard thereon.

Rule 11. Any report containing any recommendation, other than "leave to withdraw," or "inexpedient to take further action," or reference to another board or committee, shall be accompanied by an ordinance, order or resolve, embodying such recommendation; and such report shall be acted upon separately.

Rule 12. Any member of a joint committee may submit a minority report at the same time as the majority report, and, if the latter be in print, he shall be allowed to submit his report also in print. Either branch may order to be printed the report of any committee submitted to it, or any document relating to a subject under consideration, the expense thereof to be charged to the general appropriation for printing.

NOTICE TO OTHER BRANCH.

Rule 13. All papers requiring concurrent action shall be transmitted from one branch of the city council to the other before the next regular meeting of the latter branch, with the action of the branch sending them indorsed thereon, and signed by the regular presiding officer of such branch, or, in his absence, by the clerk or assistant clerk of such body. In case of votes or action by either branch not based on written orders or papers, notice of the same shall be transmitted to the other branch, signed as hereinbefore directed. In case any ordinance, order, or resolution originating in one branch shall fail to pass in the other, notice thereof shall be given, under the signature of the clerk, to the branch in which the same originated.

ORDERS AND RESOLUTIONS.

Rule 14. In all votes requiring concurrent action the form of expression shall be "Ordered" for everything by way of command; and the form shall be "Resolved," for everything expressing opinions, principles, facts, or purposes.

APPROPRIATIONS AND EXPENDITURES.

Rule 15. Whenever the city council shall order an expenditure by any committee, board, or officer, either in addition to the estimates on which the appropriation was made or for an object not included in such estimates, it shall provide for the payment of the same.

Rule 16. No expenditure shall be made from the reserved fund except by a transfer to some other appropriation or to a new appropriation to be established, and no expenditure shall be charged to the appropriation for incidental expenses except transfers and the expenditures therefrom provided for in the ordinances.

RULE 17. Every application for an additional appropriation, to be provided for by transfer or loan, shall be referred to the committee on the department for which the appropriation is to be made, and the report of such committee thereon shall, upon presentation in either branch, be referred to the committee on finance, and no such additional appropriation shall be made until the latter committee has reported thereon.

RULE 18. No order authorizing the borrowing of money, or the transfer of one appropriation or part of an appropriation to another appropriation, shall be passed, unless two-thirds of the whole number of the members of each branch of the city council vote in the affirmative, by vote taken by yea and nay.

BILLS AND ACCOUNTS.

RULE 19. No presiding officer of a board, or chairman of a committee, unless duly authorized by such board or committee, shall approve any bill or account against the city.

RULE 20. No bills for refreshments or carriages shall be paid, unless such bills shall specify in detail the names of the members to whom such refreshments or carriages are furnished, and the dates of furnishing the same; and all carriage bills shall specify the use made of the carriages charged therein. No member of the city council shall incur any such bills, except upon days when he has attended a meeting of a committee, or has performed some duty with which he has been charged by a committee of which he is a member, and by the vote of such committee authorizing such special expenditure. No member of a committee or sub-committee shall incur any bill for refreshments until he has received from the clerk of committees a voucher certifying that he has responded to a call for a meeting of such committee or sub-committee; and the said clerk shall obtain and verify all such refreshment bills in accordance with the vouchers so furnished. No sub-committee shall be allowed more than fourteen days in which to perform the duty assigned it. Whenever a committee vote to use carriages in transacting their business, the chairman shall specify the number of carriages to be engaged. All bills for refreshments and carriages shall be presented at the time incurred, and shall be certified to by the members of the city council incurring the same; and shall require the approval of the chairman of the committee incurring such bills, before they are presented to the committee on contingent expenses; *provided, however*, that sub-committees shall be allowed the use of but one carriage in the performance of the duty assigned them, and all bills contracted by sub-committees shall be submitted to and approved by the full committee.

RULE 21. All carriages shall be ordered through the city messenger, who shall examine and audit the bills therefor within twenty days from the date they are incurred, and the clerk of committees shall furnish the city messenger a copy of the vote, in each case, authorizing the use of such carriages.

RULE 22. All bills for refreshments or carriages shall be paid from the appropriation for the contingent expenses of the city council, and if containing items incurred more than thirty days previous to the date of their presentation to the auditor shall go before the city council for approval. The prices paid for all carriages hired under this rule shall be in conformity with the rates established by the Board of Police. The city auditor shall report in print to the city council, monthly, the bills and expenditures from the contingent fund, in reasonable detail, and the amount remaining unexpended.

AMENDMENT OR REPEAL.

RULE 23. The foregoing rules shall not be altered, amended, suspended, or repealed at any time, except by the votes of two-thirds of the members of each branch of the city council present and voting thereon.

At the request of some citizens a mandamus was issued by the Sup. Jud. Court, the city to show cause why an injunction should not issue to prevent the execution of said order. After a hearing of the case, the court decided that the city had no authority to pass the order of July 30, 1877. (123 Mass. 460.)

CHARLES R. CUTTER, *Deputy Superintendent.* Salary, $3,500.

EDGAR S. DORR, *Chief Engineer.* Salary, $2,400.

The Deputy Superintendent of this division has charge of the maintenance and construction of all common sewers, catch-basins, and street-culverts, together with the necessary engineering and supervision, the granting of permits for all connections to be made with the common sewers, the custody of bonds filed by drain-layers authorized to make such connections, the levying of assessments on estates benefited by the construction of sewers, the keeping of Stony Brook free of obstructions, and the maintenance of the Main Drainage Works. These works originated in an order of the Board of Aldermen, approved February 25, 1875, by which the Mayor was authorized to appoint a scientific commission of three members to examine the system of sewerage in this city, and to suggest any improvements which could be made therein. The following persons were selected by the Mayor for such commission: E. S. Chesbrough, of Chicago, Moses Lane, of Milwaukee, and Charles F. Folsom, M.D., of Boston, who submitted their report (City Doc. 3 of 1876), recommending the construction of intercepting sewers, at a cost of about $6,000,000. On July 17, 1876, the sum of $40,000 was appropriated by the City Council for the purpose of making preliminary surveys for routes to Moon Island and to Castle Island. In 1877 the Joint Special Committee upon this subject reported (City Doc. 70), recommending the immediate undertaking of the project; and on August 9, 1877, a loan of $3,713,000 was authorized to meet the expense of constructing a large intercepting sewer from Charles River across the city, in a southerly direction, to Moon Island. Additional appropriations have been made at various times, and the sum of $6,382,766 has been appropriated for Improved Sewerage and expended by the City Engineer's Department.

Construction began August 9, 1877, under the direction of Joseph P. Davis, City Engineer, and was continued by him until his resignation in March, 1880, then by his successor, Henry M. Wightman, City Engineer, until his death in April, 1885; since this date until the present time by William Jackson, City Engineer.

On the first of January, 1884, construction was sufficiently advanced to permit the works being put in operation, and on January 22, 1885,

the maintenance of the works, now called the Main Drainage Works, was transferred from the Engineer's Department to the Sewer, now the Street, Department.

NEW WARDS.

New wards were established for the city in the year eighteen hundred and ninety-five, the first division into new wards since the year 1875.[1] An attempt was made by the City Council to make a new division of wards in the year 1885, and an ordinance to that effect was prepared by a special committee appointed for the purpose and passed by the City Council and approved by the Mayor.[2] Certain questions were raised, however, in the General Court of 1886, relative to establishing State, senatorial and representative districts, and as to whether such districts should be established according to the territorial boundaries of cities and towns and their wards as they existed on the first day of May, 1885, or whether new ward lines, as in the case of the City of Boston, should be followed. On May 21, 1886, the opinion of the Justices of the Supreme Judicial Court was asked by the Legislature on this matter, and they decided that the district divisions referred to must be made according to territorial and other boundaries existing on the first day of May, 1885, and that the new ward divisions were illegal.[3] On account of this decision of the justices of the Supreme Judicial Court, an act was passed by the Legislature in June, 1886,[4] which provided that the several wards, precincts, and assessment districts of the several cities of the Commonwealth, existing May 1, 1885, should be established as the wards, precincts, and assessment districts of said cities, any acts or ordinances of the city councils of said cities to the contrary notwithstanding. The new division of wards was thus set aside and the ward lines established in 1875 remained in effect until they were changed in 1895, and established under the provisions of Chap. 417, of the Acts of 1893, as follows:

By Chap. 242 of the Acts of 1876, the City Council were directed to divide Ward Twenty-two into two wards to be called Wards 22 and 25. The division was accordingly made by an ordinance passed May 27, 1876.

The election of Mayor for 1845 was more warmly contested than in any former year. There were not less than eight several ballotings by the citizens. At the eighth trial, on the twenty-first of February, Thomas A. Davis was elected.

In the meantime, from January to February 27, 1845, William Parker, one of the Aldermen, having been elected Chairman of the Board of Aldermen, performed the duties of Mayor.

On the sixth of October Thomas A. Davis, being in declining health, resigned the office of Mayor, which resignation, however, was not accepted by the City Council; and on the twenty-second of November he died, being the only Mayor who has died in office since the organization of the city government in 1822.

On the eleventh of December Josiah Quincy, Jr., was elected Mayor by the City Council, for the unexpired term of 1845. Benson Leavitt, one of the Board of Aldermen, acted as Chairman of the Board in the interval between the death of Mr. Davis and the election of Mr. Quincy.

In 1851 Benjamin Seaver, having already been elected an Alderman of the city for 1852, was afterwards chosen Mayor for said year. At the commencement of the ensuing municipal year, 1852, he resigned as an Alderman, and accepted the office of Mayor.

The election of Mayor for 1854 was continued through three ballotings, from December 12, 1853, to January 9, 1854. In the meantime the duties of Mayor were performed by Benjamin L. Allen, Chairman of the Board of Aldermen.

At the municipal election in 1872 William Gaston was certified, by the returns of the officers of the several wards, to have been elected Mayor of the city for the next municipal term. But, upon charges of alleged fraudulent practices in one of the wards of the city, a recount

of all the ballots cast at said election was demanded and made; and it appearing therefrom that Henry L. Pierce had seventy-nine plurality, he was declared duly elected Mayor for the year 1873.

In 1873 Henry L. Pierce, Mayor of the city, was elected a member of the Forty-third Congress from the Third Massachusetts District, in place of William Whiting, deceased. Mr. Pierce resigned his office as Mayor on November 29, and occupied his seat in Congress on December 1. 1873.

The duties of the Mayor for the remainder of the municipal year were performed by Leonard R. Cutter, Chairman of the Board of Aldermen, who signed all official papers as "Acting Mayor."

In 1878 Samuel C. Perkins died while in office.

In 1879 Benjamin Pope died while in office.

In 1880 George E. Bell died while in office.

At the municipal election, in 1852, *nine* Aldermen had a majority of ballots; but, in accordance with the statute, the eight who had the highest number of votes were declared elected.

The municipal government for 1855 was the first one that was organized under the new or revised City Charter, which provided for the annual election of *twelve* Aldermen.

At the municipal election, Dec. 14, 1880, the returns of the precinct officers showed William Frost to be elected Alderman by a plurality of fifteen votes over James J. Flynn, and a very slight difference in the number of ballots cast for other candidates who failed of election. A recount of the ballots cast for Mayor and Aldermen was thereupon demanded in legal form. A committee of the Board of 1880, having made the recount, reported, December 27, that Mr. Flynn was elected, having received a plurality of votes over Mr. Frost; and Mr. Flynn took the seat at the organization of the Board of 1881. Mr. Frost gave notice of his intention to contest the seat of Mr. Flynn, and also of Mr. Haldeman, who had received the next greatest number of votes. A committee of the Board of 1881 was appointed to consider the matter, and reported, March 14, 1881 (City Document No. 38 of 1881), the majority declaring Mr. Frost entitled to the seat held by Mr. Flynn, with two minority reports. The majority report was accepted March 21, and Mr. Frost took the seat. One peculiar incident in this case was the reception of a numerously signed petition asking the Board to examine and recount the ballots for Messrs. Woolley, Haldeman, and Flynn, sitting members, and Messrs. William Frost, John Thompson, and George S. Dexter, standing next highest on the precinct returns; another was the fact that many ballots were either mislaid or stolen, in Precinct 3 of Ward 13, on election day.

At the municipal election Dec. 13, 1881, the returns of the precinct officers showed William Frost to be elected Alderman by a plurality of 154 votes over Charles V. Whitten. On petition, in due legal form, a committee of the Board of 1881 made a recount of the ballots cast for Mayor and Aldermen, and reported that Mr. Whitten was elected over Mr. Frost, and Mr. Whitten took the seat. Mr. Frost contested the seat of Mr. Whitten, and called for a reëxamination of the ballots cast

Such examination was made by a new committee, which reported, January 17, that William Frost had 19,861, and Charles V. Whitten had 19,825. On Jan. 19, 1882, the seat was awarded to Mr. Frost.

For reports of *contested seats* in the Board of Aldermen, see City Document No. 7 for 1861, and City Document No. 16 for 1862.

At the municipal election, Dec. 12, 1882, the returns of the precinct officers showed Edwin F. Leighton to be elected Alderman by a plurality of 102 votes over Joseph Caldwell. On petition in due legal form a committee of the Board of 1882 recounted the ballots cast for these two candidates, and reported, December 26, that Joseph Caldwell appeared to be chosen by a plurality of 14, and that in addition there were found 3 ballots for "——— Caldwell," 1 for "E. F. Leighton," 18 for "F. Leighton," and 11 for "——— Leighton;" also that, "with the exception of the name 'E. F. Leighton,' which was written, the abbreviated names above recited were plainly legible beyond the edges of 'stickers,' or 'pasters,' which covered and concealed the Christian names of Messrs. Caldwell and Leighton, those stickers having been pasted upon an adjoining name, but being of such length as to partly cover the names in question." The committee further reported that there was plainly no intent to cancel the names over which the stickers extended. Mr. Caldwell, who was a member of the Board of 1882, thereupon stated his intention of not appearing to claim a seat in the Board of 1883, and introduced an order, which was passed, declaring that, in the opinion of the Board, the abbreviated ballots should be credited to Mr. Leighton. The Board of 1883, on petition of Mr. Leighton, awarded him the seat at the first meeting, January 1.

There have been the following successfully contested elections:

The first, February 22, 1830, vacated the seat of a member from Ward 6, on the ground that "closing the poll before the hour at which the voters were notified it would be closed was a violation of the rights of the voters."

The second, May 7, 1835, vacated the seats of the members of Ward 3, who were returned as having been elected at an adjourned meeting, December 11, 1834, on the ground of irregular proceeding, to render the whole number of votes certain by taking the highest number of votes for candidates on each opposing ticket, adjournment of the meeting by the sole authority of the Warden, and other irregularities, at the annual election, December 8.

The third case, March 7, 1839, vacated the seats of three members of Ward 12, on the ground that a number of illegal voters, sufficient to affect the choice, voted at the polls.

The fourth, February 9, 1843, vacated the seats of three members from Ward 1, returned as elected at the adjourned meeting, December

14, on the ground that four votes for non-resident candidates (after having been first thrown out by the ward officers)[1] were counted at the annual election, December 12, thereby preventing the choice of two other candidates, who, by excluding the said four votes, were by the decision of the Council declared elected, leaving one vacancy.

The fifth, February 27, 1851, vacated the seats of two members from Ward 3 on the ground that they were chosen at an adjourned meeting which was illegally held. At the subsequent trial the same members were again returned to the Common Council.

The sixth, January 20, 1853, vacated the seats of three members of Ward 3, on the ground that they were chosen at an adjourned meeting which was illegally held.

The seventh, February 3, 1853, in accordance with the Report of the Committee on Elections, vacated the seats of three members from Ward 11, on the ground that the Mayor and Aldermen had no right to issue warrants for election of members of the Common Council, after the annual election and before the organization of the government-elect. But inasmuch as the elections in question were conducted *bona fide* and no other informality was apparent, and as this custom of supplementary elections had been in vogue for twenty years, the members thus elected were by the vote of the Common Council declared entitled to their seats.

The eighth, March 19, 1863, in accordance with the Report of the Committee on Elections, vacated the seat of a member from Ward 3, on the ground that at the time of his election he was not an inhabitant of that ward. Before a decision was reached on this point, the member in question resigned.

The ninth, April 9, 1863, vacated the seats of the entire delegation from Ward 10, on the ground that more votes were returned than there were persons who voted in that ward at the municipal election, — occasioned by mistake, probably, in the counting of the ballots, — the variation being so great as to affect the election of the whole delegation. At the subsequent trial the same members were again returned to the Common Council.

The tenth, January 24, 1867, vacated the seat of a member from Ward 3, who was chosen at an *adjourned meeting* (held on account of a tie-vote at the regular meeting, Dec. 10, 1866), on the ground that the polls at said adjourned meeting were not kept open the same number of hours as were required by the original warrant. At a subsequent election the same member was returned to the Common Council. (See City Doc. No. 12 for 1867.)

The eleventh, January 16, 1868, vacated the seat of a member

[1] This fact was admitted, though not stated in the report of the Committee.

returned from Ward 10, because, by the count of the original ballots cast in said ward, it appeared that another person was chosen.

The twelfth, January 6, 1870, vacated the seat of a member returned from Ward 13, for the same reason as recited above.

The thirteenth, January 5, 1871, vacated the seat of a member returned from Ward 15, for the same reason.

The fourteenth, January 18, 1872, vacated the seat of a member returned from Ward 7, for the same reason.

The fifteenth occurred as follows:

At the annual municipal election in 1871 Frederick S. Risteen was declared elected as a member from Ward 10. This election was contested by J. Q. A. Brackett, and a recount of the original ballots showed that said Brackett was elected by a plurality of one ballot over F. S. Risteen, and said Brackett was accordingly declared by the Common Council of 1872 to be entitled to the seat. Subsequently Mr. Risteen contested this decision, on the ground that his name was erased from a number of ballots by some one of the ward officers *after* said ballots were deposited by the voters. After a protracted inquiry the Common Council sustained this view of the case, and Mr. Risteen was again returned to his former seat, and was again duly qualified, on February 1, 1872. (See City Doc. No. 18 for 1872.)

The sixteenth, January 4, 1874, vacated the seat of a member returned from Ward 13, because, by the count of the original ballots cast in said ward, it appeared that another person was chosen.

The seventeenth, January 14, 1875, vacated the seat of a member returned from Ward 1, because, by the count of the original ballots cast in said ward, it appeared that another person was elected.

The eighteenth, January 4, 1877, vacated the seat of a member from Ward 20, because, by the count of the original ballots cast in said ward, it appeared that another person was elected.

The nineteenth, January 10, 1878, vacated the seat of a member from Ward 20, because, by the count of the original ballots cast in that ward, it appeared that another person was chosen.

The twentieth, December 27, 1880 (see records of Board of Aldermen of said date), vacated the seats of one member from each of the following-named wards, *viz.*, 3, 13, 16, and 19, because, from an examination of the original ballots cast in said wards, it appeared that other persons were chosen. From an examination made at the same time of the original ballots cast in Ward 5 it appeared that, instead of there being a tie-vote for a third member from said ward, three members were duly chosen. Peculiar features of the case in Ward 13 are, that some of the ballots undoubtedly deposited by the voters of Precinct 3 of this ward were either mislaid or stolen at the polling place, and that the

Committee of the Board of Aldermen of 1880, who examined the ballots for Common Council in that ward, erroneously reported that the sitting member had been duly elected. (See City Doc. 54 of 1881.)

In 1887 one seat in the representation of Ward 4 and one in that of Ward 15 were vacated and the contestants declared elected, the Council exercising its discretion as to the intent of the voter in certain cases of technical irregularity. (See City Docs. Nos. 6, 11, of 1887.)

In 1889 one seat in the representation of Ward 3 and one in that of Ward 12 were vacated and the contestants declared elected, the intent of the voter in cases of technical irregularity being considered.

See "Reports of Controverted Elections in the Common Council of the City of Boston, from 1827 to 1889." Boston: 1889, pp. xvii and 277.

The longest continuous service in the City Council is that of David F. Barry, member of the Common Council from 1880 to 1893 (president in 1887, '88, '91, '92, '93), 1894 and 1895, a member of the Board of Aldermen. Eliphalet Williams (president of the Common Council, 1829) served fifteen years, but not consecutively. James J. Flynn served twelve years in the Common Council (president, 1883) and three years in the Board of Aldermen. Thomas Wetmore served eleven years, not consecutive, in the Board of Aldermen.
